Handover of Rajghare School

Through the initiative of Nepalese Association of Northern Territory Inc.(NANT) in collaboration with NRNA-NT signification contribution has been made to support earthquake victim suffered 7.8 magnitude earthquake disasters on 25 April 2015.

NANT have managed to send **\$85000** collected from numerous donors via **NRN Australia** to Nepal. NRNA Global has used this fund to provide initial support to earthquake victims and to rebuild infrastructures in Nepal. (<https://www.nm.org.au/nmaprojects/negrelief>).

Another full contribution has been made to reconstruct two rooms in **Rajghare School**, which is in eastern part of Gorkha, Gaikhur VDC-4 border touching VDC with Lamjung about 18 km north east from Prithivi Highway Dumre Bazar (Dumre Bazar is 134 km from Kathmandu) with the remaining collected fund (around \$15000). The school building was seriously damaged by the earthquake. This school was only a source of education on that locality for 393 numbers of students from Dalit, Janjati & disadvantage family. After earthquake damage, students were studying in open space and in merged class room. The school was desperately in need of more class room construction to provide shed to their students.

The construction was started on 13 April 2016 and now the building is completed physically. Formal inauguration was held on 25 Oct 2016, in presence of NRNA-NT Coordinator Niraj Gurung, former NANT Presidents Prakash Acharya & Nitesh Raj Pant, and Darwin Women representatives Meenu Gurnug and Urmila Gurung
